- Page Title:** DRUG COURT DISCRETIONARY GRANT PROGRAM
- Overview:** The Drug Court Discretionary Grant Program provides financial and technical assistance to states, state courts, local courts, units of local government, and tribal state governments to develop and implement treatment drug courts that effectively integrate substance abuse treatment, mandatory drug testing, sanctions and incentives, and transitional services in a judicially supervised court setting with jurisdiction over nonviolent, substance-abusing offenders. Programs funded by [DOJ](#).
- Adult Drug Court Discretionary Grant Program:** BJA has received the FY 2018 Adult Drug Court Discretionary Grant Program solicitation. Through the program, BJA is seeking applications to establish or enhance drug court services, to include coordination, management of drug court participants, and necessary support services, ready for June 5, 2018.
- See New Website: Adult Drug Courts Accredited:** The National Association of Drug Court Professionals, National Drug Court Institute in collaboration with BJA, announced 10 new Member Adult Drug Courts. NGC Member Courts are members of the Drug Court Institute and serve as models for others interested in starting their own Drug Court. NGC Member Courts can share an evidence-based practice platform for courts, as well as for the development, certification, and testing of promising practices. Justice professionals and community leaders interested in establishing an adult Drug Court can request a visit to one of these programs. Visit the [NGC](#) page for more information.

"Drug Court innovation is a necessary part of the solution for ensuring public safety, reducing costs, and the only proven-to-apply case—especially for the low-level drug offender. If any of us hope to change the landscape of our criminal population—and make our communities safer—we must make the investment in trial individuals with substance use disorders, and others in need of help as a part of the criminal justice system." ## Effective Drug Courts

- Reduce Recidivism and Substance Abuse among High Risk Participants through
  1. Referrals based on validated assessments
  2. Early, continuous, and intense treatment
  3. Close judicial supervision and involvement
  4. Mandatory and random drug testing
  5. Community supervision
  6. Equitable, consistent, and appropriate incentives and sanctions
  7. Community reintegration and recovery support

# What is a Drug Court?

Court program,

managed by a multidisciplinary team

that responds to the offenses and treatment needs

of participants who are diagnosed with substance abuse.

Explicit exclusion against drug offenders who have committed acts of violence.

## BJA's Objectives

Utilize evidence-based practices and principles (NADCP standards)

Build capacity

Expand targeted, evidence-based services

Enhance recovery support services, including transitional clean and sober housing

Reduce obstacles to successful recovery, including civil legal assistance

Support data collection and analysis to inform system improvement and fidelity

# Eligible Drug Court Types

Adult Drug Courts

Driving While Intoxicated (DWI)/Driving Under the Influence (DUI) Courts

Co-Occurring Courts

Veterans Treatment Courts

Tribal Healing to Wellness Courts

# Tribal Awards

## Priority Considerations

Implementation: Adult Drug Court Planning Initiative

Identify specific NADCP standards that will be implemented

Rural and tribal jurisdiction

*Note:* Must demonstrate there will be treatment and services to address opioid abuse reduction.

- [nadcp.org/standards](http://nadcp.org/standards)

# NADCP Drug Court Standards

## Volume I

- Target Population
- Historically Disadvantaged Groups
- Roles and Responsibilities of the Judge
- Incentives, Sanctions, and Therapeutic Adjustments
- Substance Abuse Treatment

## Volume II

- Complementary Treatment and Social Services
- Drug and Alcohol Testing
- Multidisciplinary Team
- Census and Caseload
- Monitoring and Evaluation

# Unallowable Use of Funds

Violent offenders  
(except Veterans,  
Type B)

MAT injection sites

Prizes, rewards,  
entertainment,  
trinkets

Client stipends, gift  
cards, any  
monetary  
incentive

Vehicles (Bus  
passes okay)

Food and beverage

# *All Applicants*

- Must show that eligible candidates promptly enter the drug court
  - No initial period of incarceration
- Must show proposed program will include treatment and services to address opioid abuse reduction
- Must show no one is denied because of MAT

# Match Requirement – 25%

- Cash or in-kind

$$\frac{\$500,000}{75\%} = \$666,666 \quad 25\% \times \$666,666 = \$166,666$$

- Self-determination contract/compact funds may be eligible for “non-federal” match

# Violent Offender Prohibition

- May not use grant funding to serve violent offenders, as defined by 34 U.S.C. § 10613.
  - *Note:* Consider tribal court jurisdiction.
  - Consider CTAS Purpose Area 3
- Exception: Veterans Treatment Courts (Type B)

3. Capabilities and Competencies (20%)
4. Data Collection for Performance Measures (15%)
5. Budget Detail Worksheet and Narrative (5%)

# STRUCTURING THE NARRATIVE

The Peer Reviewer Checklist

For each category, the applicant must provide verified sources for the data that support the statement of the problem (i.e., census data, federal, state, and local databases).

**Category 1: Implementation Applicants (20 percent)**

- Describe the nature and scope of the substance abuse problem in the jurisdiction. Include data on race, ethnicity, age, gender, arrest volume (i.e., specifics of the general arrestee population, including the percentage screened for drug court and what percent of those are admitted into drug court), and crime patterns for adult defendants.

- Explain the problems with the current court response to cases involving substance abuse; identify how and to what extent the proposed program will address the current arrest volume; and describe how the current number of treatment slots meets the needs of anticipated referrals.

- Describe the proposed target population, including criminogenic risk level (high, medium, low), substance abuse treatment need, and the average jail or prison sentence that potential participants face, if any.

- Provide the target number of people to whom services will be provided under this program during the grant award period (48 months).

**Category 2: Enhancement Applicants (20 percent)**

- Describe the immediate issues that the enhancement grant seeks to address. The applicant is encouraged to incorporate the evidence-based program principles included in the NADCP Adult Drug Court Best Practice Standards, and to specify which standard(s) will be addressed and how the standard(s) will be implemented. The applicant should also refer to the allowable uses of funds on page 6. In addition, the proposed enhancements should include criminal justice-related needs and can also include enhancements related to enhancing treatment and relapse prevention support services.

- Describe the current operation of the adult drug court, addressing:

- Referral, screening, and assessment process

- Eligibility requirements

- Target population

- Current capacity

- Length and phases of the program

- Case management process

- Community supervision

- Recovery support services delivery plan to include vocational and/or educational and transitional housing services

- Judicial supervision

- Process for randomized drug testing

- Incentives and sanctions

# Statement of the Problem: Implementation

- Nature and scope of the substance abuse problem (stats)
- Problems with current response
- Target Population
- Capacity Goal

# Statement of the Problem: Enhancement: Describe Current Operations

- Referral, screening, and assessment process
- Eligibility requirements
- Target population
- Current capacity
- Length and phases of program
- Case management process
- Community supervision
- Recovery support services
- Judicial supervision
- Process for random drug testing
- Incentives and sanctions
- Graduation requirements
- Restitution costs and fees

# Statement of the Problem: Enhancement

- In addition to describing court, include:
  - How court will target high risk/high need
  - Identify treatment
  - How interventions were selected (evidence-based?)
- Describe immediate issues the grant seeks to address

# Program Design and Implementation

- Must demonstrate **prompt entrance**
  - No initial periods of incarceration (unless statutorily mandated)
- No fees that would prevent graduation
- Must permit access to MAT
- Describe commitment to provide for opioid and/or other substance abuse

# Project Design: Implementation: Describe the Drug Court

- Screening, and assessment process
- Eligibility requirements
- Pre- or Post-Plea
- Length and phases of program
- Case management process
- Community supervision
- Evidence-based Treatment
- Recovery support services
- Judicial supervision
- Process for random drug testing
- Incentives and sanctions (relapse is a part of recovery)
- Graduation requirements
- Restitution costs and fees

# Project Design: Implementation: Describe:

- What NADCP Standards will be implemented
- How will treatment providers be selected/monitored
- Range of treatment to be used
- High risk/high need assessment tool
- How will the court be “early intervention”
- Community engagement
- How will treatment be funded
- For VTCs Type B – availability of anger management and domestic violent treatment

# Project Design: Enhancement Describe:

- Proposed enhancements
- What, if any, Drug Court Standards will be implemented
- High risk/high need assessment tool
- Target capacity #
- Also describe:
  - Drug testing process
  - Frequency of judicial status hearings
  - Perception of procedural fairness
  - Evidence-base for treatment interventions
  - If applicable, recovery support services
  - For VTCs Type B – availability of anger management and domestic violent treatment

# Capabilities and Competencies: Implementation

- BJA Drug Court Planning Initiative?
- Identify each team member and their role
  - Attach MOU
- Describe communication and coordination strategies
- Indicate whether team includes: law enforcement and probation
- Describe treatment

# Capabilities and Competencies: Enhancement

- Identify each drug court team member who will have a role in the proposed enhancement
- Identify other critical personnel
- Proposed treatment partners
- MOU signed by each team member

# Data Collection - Implementation

- Performance management and evaluation plan
- Process for quarterly review of # of participants (Time Task Plan)
- Client community reintegration or continued care strategy
- Sustainability plan

# Data Collection - Enhancement

- How court performance of court operations will be evaluated
- Quarterly review of participants served vs. projected number
- Sustainability Plan
- Client communication reintegration or continued care strategy

# Performance Measures

# Common Mistakes

- Not responding to all of the requested information
- Failed to draw connection between statement of the problem and the program design
- Not providing the requested information in relevant section where peer reviewers could easily locate it
- Failed to draw the connection between the proposed budget and the programmatic activities
- Inconsistencies within proposal – different writers by section
- Did not provide specific measurable targets for performance measures

# TIPS

1. Check all of the resources linked in the RFP
2. Use scoring criteria as a general guide for how many pages to devote to each section
3. Don't wait until the deadline to apply
4. Go back and review the budget after completing the narrative.
5. Focus on attachments (*Time Task Plan!*)
6. PDF everything!

# If unsuccessful

- Always ask Agency to provide comments
- Keep prior proposals and comments  
*(although different review panel each time)*
- Ask Agency what other services can be provided such as:
  - Training and Technical Assistance (T/TA)
  - Capacity Building
  - Scholarships for Conferences/Trainings
- Ask Agency for copies of successful applications
- Serve as peer reviewer

# OTHER FUNDING OPPORTUNITIES

# Comprehensive Opioid Abuse Program (COAP)

- Diversion and alternatives to incarceration programs that expand outreach, treatment, and recovery efforts to individuals impacted by the opioid epidemic who come into contact with justice system.
- Category 1: First Responder Partnerships
- Category 3: System-Level Diversion Projects
- Category 6: Public Safety, Behavioral Health, and Public Health Information-Sharing Partnerships

# Coordinated Tribal Assistance Solicitation

# CTAS - [www.justice.gov/tribal](http://www.justice.gov/tribal)

## Included:

# CTAS PROS

- Tribal specific RFP/funding source
- Specific references to Healing to Wellness Courts in Purpose Areas #3, and #8
- Peer reviewers will have tribal court specific knowledge
- Peer reviewers will have some drug court knowledge (Purpose Area #8)
- More flexibility to design Wellness Court in PA #3
- No match requirement
- Healing to Wellness Court objectives can be better incorporated into an overall tribal plan through CTAS
- Most tribes are already planning to submit CTAS proposal

# CTAS Cons

- PA # 3 has large scope and lots of competition
- PA #3 is not Wellness Court-specific
- PA #8 is narrow and limited
- Complex CTAS application process with many moving parts requiring substantial intra-tribal coordination
- Limited page and formatting requirements

# FY 2019 CTAS PURPOSE AREAS
