

# FAMILY DRUG COURT LEARNING ACADEMY WEBINAR SERIES

The Family Drug Court (FDC) Learning Academy offers web-based training events to assess the needs, implement program improvements, evaluate performance and sustain FDC programs.

Launched in June 2010 by Children and Family Futures (CFF), the Learning Academy consists of six learning "Learning Communities" to address the developmental needs of FDC programs. Webinars are offered to FDC teams and professionals at no cost. Many FDCs have viewed these web-based trainings as a team and then discussed implications for their respective programs.

For a complete listing of the FDC Webinars, please see the back of this flyer.
